

JURY FAQ

Q: Where are jurors supposed to report for jury duty?

Beginning with the November 1, 2021, jury term, jurors will report to jury assembly located on the 8th floor of the Mobile County Courthouse, 205 Government Street, Mobile, Alabama.

Q: Are masks required to be worn?

Yes.

Q: Why are jurors asked to answer questions on a website?

We have a new system for pre-qualifying jurors for jury duty by way of an online jury questionnaire. If you have internet access, simply go to <https://juror.alacourt.gov> enter the PIN number on your jury summons, answer the questions and attest to your qualification. This will pre-qualify you as a juror.

Q: What if I could not access the internet website to answer questions?

If you were unable to obtain qualification through the internet process, you should contact Court Administration at the following number: 574-8603. If the Court Administrator determines you are qualified to serve you will report to the Mobile County Courthouse, jury assembly, so that a judge can determine whether you are legally qualified to serve as a juror.

Q: How long will I be expected to serve?

Generally, you will not have to serve as a juror on more than one case, unless the case lasts less than two days. If you have served on a very short case, or if you are not selected for a jury on the day you report to the Courthouse, you may be asked to come back on Tuesday or Wednesday morning for one additional jury group selection.
